Fair outline

Fair name: Thermotec 2026 –The 9th International Exhibition on Industrial Furnace, Thermal Technology, Equipment and Material–

Theme: Co-create the sustainable future with industrial heating technologies!

Date: 9–11 September (Wed.-Fri.) 2026 10:00–17:00 (Last day until 16:30)

Venue: Tokyo Big Sight South Hall (Tokyo, Japan)

Organiser: Japan Industrial Furnace Manufacturers Association (JIFMA)

Co-organiser: Messe Frankfurt Japan Ltd.

Exhibits

Industrial furnaces / Environmental protection / Carbon neutrality, decarbonization technology / Combustion equipment & heating element / Refractories, heat-resisting steel / Instrumentation, control & transfer mechanisms / Surface treatment equipment, applied technologies / Far-infrared-ray related equipment / Electroheat equipment, power-generating & power-supply equipment, heat transfer and thermal flow analyzer / Boilers & heating system / Heat- and Refrigeration-related equipment, applied equipment, cooling technology & services / Waste disposal related equipment / ICT related services & equipment / Advanced Digital Transformation(DX) for industrial furnaces and thermal technology / Energy supply (oil, gas, power) / Research institutes and universities / Other related products and services

Targeted visitors

Industrial furnace manufacturers / Heat treatment / Steel, Non-ferrous metal / Metal products / Materials / Chemicals / Casting, Forging / Ceramics, Glass / Construction, Infrastructure & Plant engineering / Next-generation secondary batteries and fuel cells / Energy supply and utilization / Automotive, Aerospace, Rail, Shipbuilding & Transportation / Industrial equipment / Precision instruments / Robots / Electrical & electronics / Environment, Waste treatment & management / Imports and Exports / Retail / ICT, Software, Telecommunications & Network systems / Organisations, Research institutions and Universities / Others

Schedule

Application deadline

27 February 2026

If your application is received after the hall is at maximum capacity, you will be added to the waiting list of potential exhibitors.

Booth allocation

From 1 May 2026
